In numbers there is safety. It was upon this principle that the formula of Judson's Mountain Hunn Pries was prepared. Dr. Judson, intending to spend a fortune in advertising his pills, sabmitted his receips to the revision of the most inclingent and learned physicians of the age, and the re-

This seemed to check the boldness of the highwaymen, and they almost halted. "Till keep my word, as true as God," was the next warning the Rock Islander gave, and then he called "Guard, guard," at the top of his voice. Of course no guard could hear, the only one on that portion of the island being at the bridge. It was a critical moment for the man, for really he hadn't the sign of a weapon about him. But his nervy conduct rather dashed the would-be robbers and they ceased to press him. He took a step or two more, and then wheeled and ran like a deer towards the road leading to the

miles from tealena, III., and six miles from Dabuque, lowa.

R occupies one of the most picture-sque sites in the State. The grounds are extensive, beautifully adorned, and the entire surroundings seem to breathe that air of peaceful seclusion which ever exerts such a powerful influence over the ifforal, physical and intellectual He.

The building is heated by steam, and furnished with all modern improvements, such as warm and cold water, baths. &c.
